

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2015 with regard to energy labelling of light sources

**Supplier's name or trade mark:** MI

**Supplier's address:** AOCE INFORMATION TECHNOLOGY S.R.L, STR. NICOLAE BALCESCU NR.12  
CAMERA C2 MODULUL B58 ET.1 Bacau ROMANIA 600051

**Model identifier:** MJTD02YL-L

## Type of light source:

|                                                     |              |                                 |                            |
|-----------------------------------------------------|--------------|---------------------------------|----------------------------|
| Lighting technology used:                           | LED          | Non-directional or directional: | NDLS                       |
| Light source cap-type (or other electric interface) | DC connector |                                 |                            |
| Mains or non-mains:                                 | NMLS         | Connected light source (CLS):   | Yes                        |
| Colour-tuneable light source:                       | No           | Envelope:                       | -                          |
| High luminance light source:                        | No           |                                 |                            |
| Anti-glare shield:                                  | No           | Dimmable:                       | Only with specific dimmers |

## Product parameters

| Parameter                                                                                                                                      | Value                  | Parameter                                                                                                                                                  | Value                  |
|------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
| <b>General product parameters:</b>                                                                                                             |                        |                                                                                                                                                            |                        |
| Energy consumption in on-mode (kWh/1000 h), rounded up to the nearest integer                                                                  | 11                     | Energy efficiency class                                                                                                                                    | F                      |
| Useful luminous flux ( $\phi_{use}$ ), indicating if it refers to the flux in a sphere (360°), in a wide cone (120°) or in a narrow cone (90°) | 1 050 in Sphere (360°) | Correlated colour temperature, rounded to the nearest 100 K, or the range of correlated colour temperatures, rounded to the nearest 100 K, that can be set | 2500...4800            |
| On-mode power ( $P_{on}$ ), expressed in W                                                                                                     | 10,5                   | Standby power ( $P_{sb}$ ), expressed in W and rounded to the second decimal                                                                               | 0,00                   |
| Networked standby power ( $P_{net}$ ) for CLS, expressed in W and rounded to the second decimal                                                | 0,50                   | Colour rendering index, rounded to the nearest integer, or the range of CRI-values that can be set                                                         | 90                     |
| Outer dimensions without separate con-                                                                                                         | Height                 | Spectral power distribution in the                                                                                                                         | See image in last page |
|                                                                                                                                                | Width                  |                                                                                                                                                            |                        |
|                                                                                                                                                | Depth                  |                                                                                                                                                            |                        |

|                                                                                       |      |  |                                      |                |
|---------------------------------------------------------------------------------------|------|--|--------------------------------------|----------------|
| trol gear, lighting control parts and non-lighting control parts, if any (millimetre) |      |  | range 250 nm to 800 nm, at full-load |                |
| Claim of equivalent power <sup>(a)</sup>                                              | -    |  | If yes, equivalent power (W)         | -              |
|                                                                                       |      |  | Chromaticity coordinates (x and y)   | 0,360<br>0,360 |
| <b>Parameters for LED and OLED light sources:</b>                                     |      |  |                                      |                |
| R9 colour rendering index value                                                       | 50   |  | Survival factor                      | 0,90           |
| the lumen maintenance factor                                                          | 0,96 |  |                                      |                |

(a) : not applicable;

(b) : not applicable;

Model placed on the Union market from 05/08/2024
